A letter set that conveys your honest feelings to yourself one year
from now and to your loved ones.

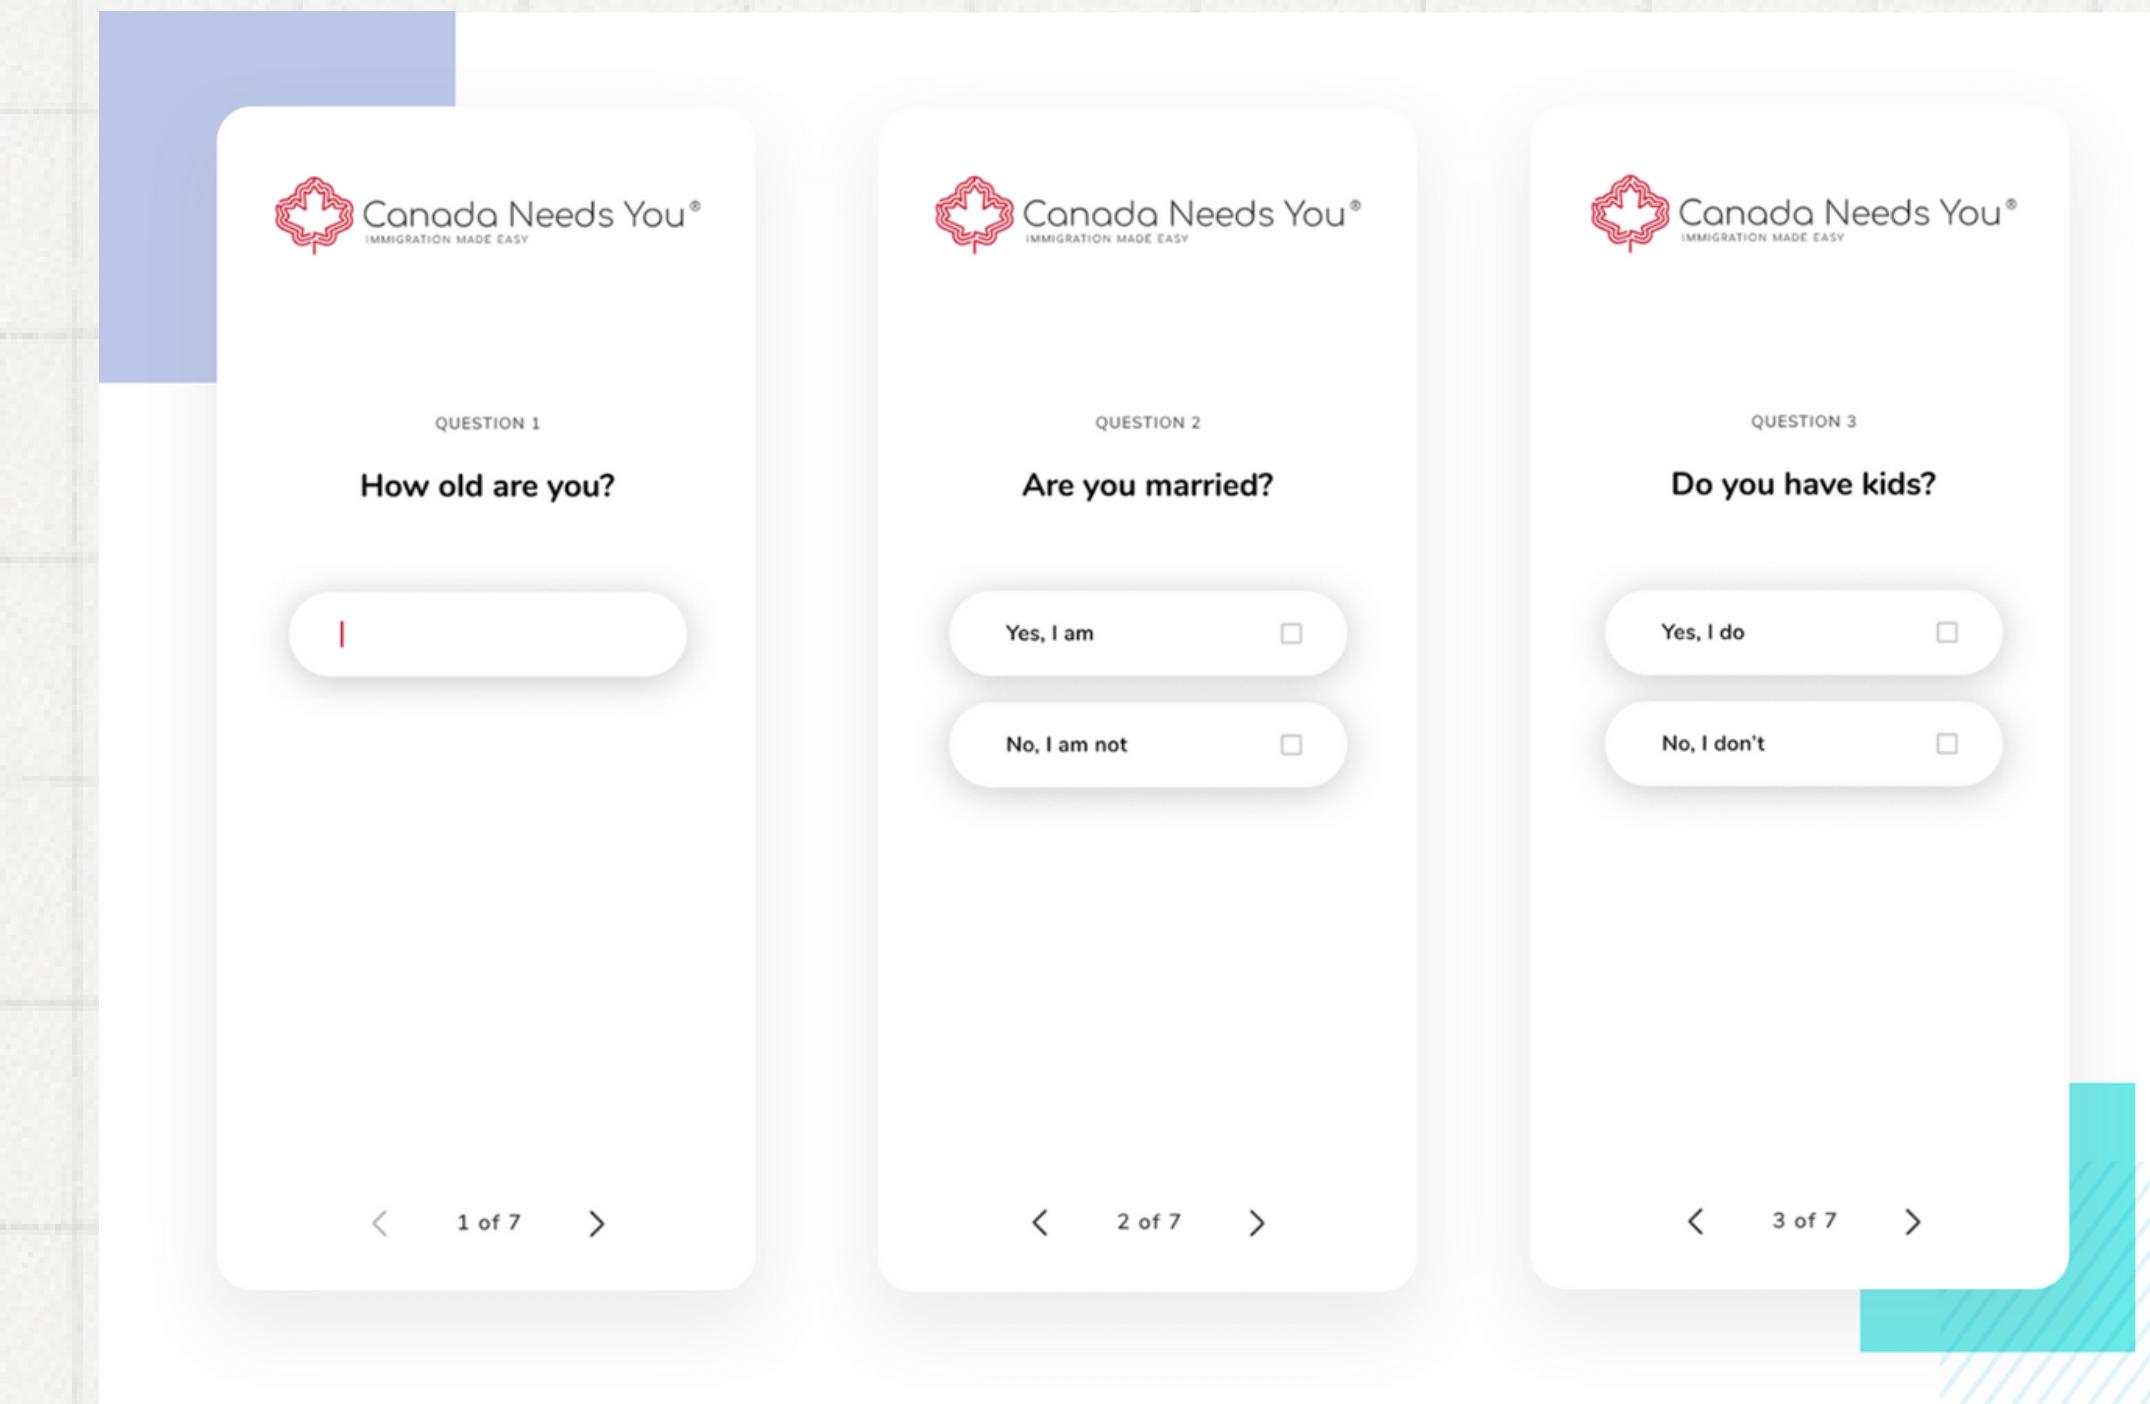

TOMOSHIBI LETTER is a special letter set that allows you to send a letter
one year into the future.

It was created with the desire to deliver your honest feelings and time
spent that you tend to forget in your busy days. By all means, please feel
free to write down your current feelings and thoughts along with your
hopes for the future.

The image displays three mobile screens side-by-side, representing a survey process for 'Canada Needs You'. Each screen has a light gray background with a white rounded rectangular form in the center. A blue vertical bar is positioned to the left of the first screen. A red stylized maple leaf logo is at the top of each screen, followed by the text 'Canada Needs You®' and 'IMMIGRATION MADE EASY'.

QUESTION 1
How old are you?

QUESTION 1 is the first screen in the sequence. It features a white rounded rectangular input field with a red vertical line inside, indicating where to type the answer. Below the input field, the text '1 of 7' is centered.

QUESTION 2
Are you married?

QUESTION 2 is the second screen. It contains two options: 'Yes, I am' with an empty square input field and 'No, I am not' with an empty square input field. Below the options, the text '2 of 7' is centered.

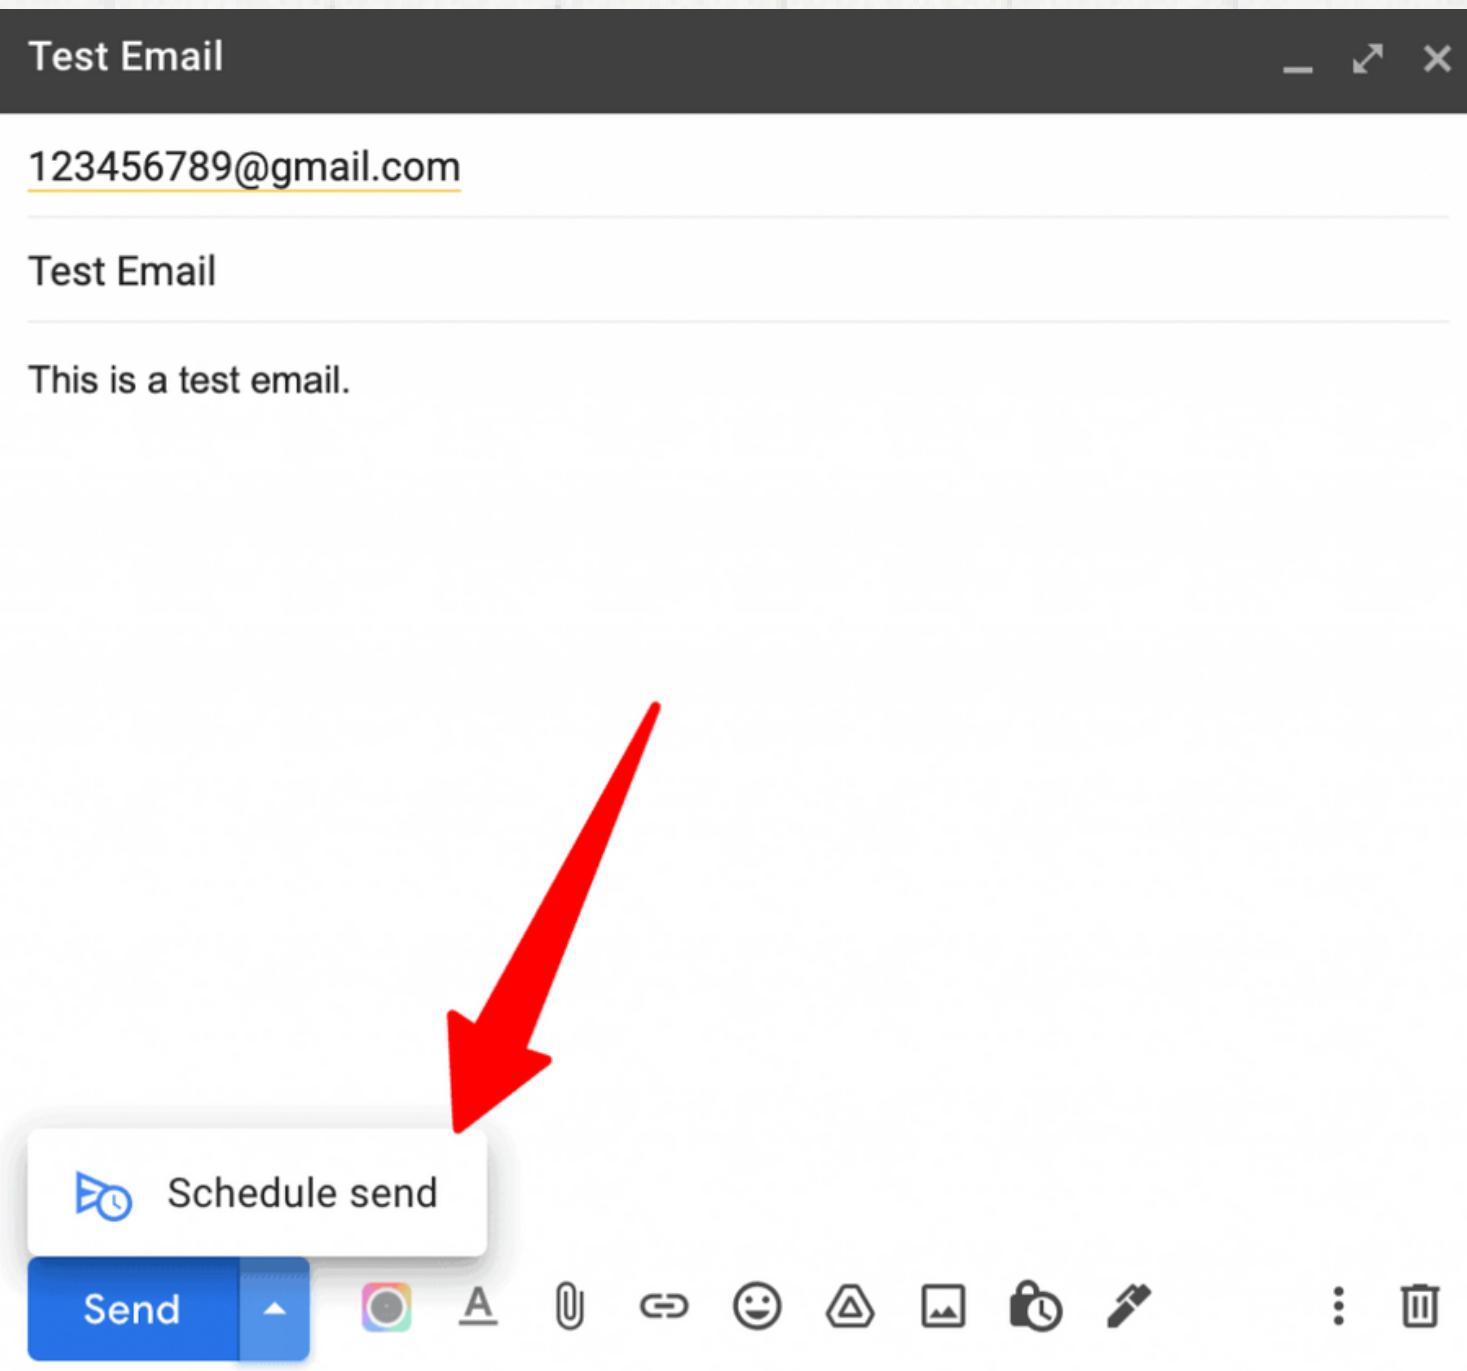

QUESTION 3
Do you have kids?

QUESTION 3 is the third screen. It also contains two options: 'Yes, I do' with an empty square input field and 'No, I don't' with an empty square input field. Below the options, the text '3 of 7' is centered. A teal-colored progress bar is visible at the bottom right of this screen, showing a diagonal fill pattern.
